

FINAL EXAMINATION LABORATORY

In Partial Fulfillment
of the Requirements for the Subject
ELEC1 – ELECTIVE 1 (Web Systems and Technologies 2)

By
BSIT-3B

Mr. Leo Gabriel V. Villanueva, MIT
Instructor

June 2022

USER INSTRUCTIONS

STEP 1: Firstly, Extract the file

STEP 2: After that, Copy the main project folder

STEP 3: So, you need to Paste in xampp/htdocs/

STEP 4: So, for now, open a browser and go to URL “http://localhost/phpmyadmin/”

STEP 5: After that, Click on the databases tab

STEP 6: So, create a database naming “psu_urdaneta” and then click on the import tab

STEP 7: Certainly, click on browse file and select “psu_urdaneta.sql” file which is inside the “db” folder

STEP 8: Meanwhile, click on Go button.

STEP 9: In xampp/php folder, search for php.ini and remove the semicolon (;) in line 920 - extension=gd

STEP 10: In visual studio code, run the following extensions in terminal.

```
composer require maatwebsite/excel
```

```
composer require barryvdh/laravel-dompdf
```

STEP 11: After Creating Database, open a browser and go to URL “http://localhost/budget”

USER MANUAL

Validation Page - After the Client clicked the button, it will proceed here. This page can check or validate the certificate of the user through scanning the QR Code or searching the code of certificate manually.

The screenshot shows the Pangasinan State University logo and name at the top left. Below it, there are two main sections for certificate validation:

- Scan Certificate QR Code Here:** A large empty rectangular box for scanning a QR code.
- Search Code Manually:** A section with the text "To verify your certificate, please fill in your certificate number below:" followed by a text input field labeled "Enter certificate number" and a blue button labeled "Verify".

Download Page - This page can download the certificate of the client. If it's valid, then this section will display.

The screenshot shows the Pangasinan State University logo and name at the top left. Below it, a green banner displays a success message: "Your certificate is valid. PSU0001".

Below the banner, there are two sections:

- Participant Profile:** Displays the name "John Doe Chan" and the institution "Pangasinan State University Urdaneta Campus".
- Programme:** Displays the program name "IT Innovations Amidst Global Pandemic" and the date "June 25, 2022".

At the bottom, there is a message: "You can redownload your certificate by clicking the download button" followed by a green button labeled "Download".

Error Page - This page will display if the certificate is not valid or if not exist.

Pangasinan State University

✖ Certificate code do not exist.

Enter a valid certificate code
